

THE GLOBAL LEADER IN

Meetings Procurement

"For just short of two decades, HelmsBriscoe has provided excellent site selection services for our large and small, long-term and short-term meetings and events. They continue to successfully work with our many internal planners to negotiate hotel contracts around the world to match each of their meeting or event specifications — everything from location and lodging, to meeting space, budget and more. Over the years, our partnership with HelmsBriscoe has grown and their team has adapted internal procedures and reporting processes to suit our needs. They understand our business and are extremely efficient with our, oftentimes, short-term needs. What can I say — they Just Do It!"
